

Program: (Early Childhood Education) 2002-03

Outcome 1	Measurable Criteria	Measurement Tool	Time Frame
The training that students receive in the SPSCC ECE program will be useful in relation to the required skill standard activities in their most current ECE job	85% of ECE students will report that their training from SPSCC was “good” or “very good” in relation to the required activities in their most current ECE job	Alumni Survey, sent out to graduates of the ECE program each January	Survey will be sent out to all past graduates for the first time January 2003
Results: Pending survey results.			
Analysis and Action:			

Outcome 2	Measurable Criteria	Measurement Tool	Time Frame
Students in Practicum 3 (ECE 250) will be capable of performing the work functions as outlined in the Washington State Skill Standards	Upon completion of Practicum 3 students 90% of students will score a 3 or better on the skill standard validation survey	Washington Skill Standard Validation Survey, given Spring quarter in Practicum 3	Piloted Spring 02
Results: 100% of Practicum 3 students scored a 3 or better on the skill standard validation survey			

Program: (Early Childhood Education) 2002-03

Analysis and Action:

Re-evaluate process for scoring students to be sure that scores are consistent with student performance at their practicum site, including training for practicum site supervisors and faculty on scoring students using the skill standard validation survey. Repeat survey spring 2003 and analyze results.

Outcome3	Measurable Criteria	Measurement Tool	Time Frame
Students will develop an understanding and apply the Early Childhood Career Development Core Competencies as per Washington State Child Care Coordination Committee	<p>By graduation, students will complete a portfolio demonstrating competence as agreed upon by an ECE advisory committee member and an ECE instructor</p> <p>By graduation students will complete all ECE core courses with a grade of “C” or better</p>	<p>Practicum 3 grading sheet rubric for student portfolios</p> <p>Admissions confirms student grades meet criteria</p>	Spring Quarter each academic year

Results:

100% of graduating students successfully completed a portfolio demonstrating competence and have a “C” or better in all ECE courses

Analysis and Action:

Continue current assessment as outlined above. Begin process of implementing Washington State Skill Standards into criteria for portfolio.
