

Self Evaluation Reading 96/97

Paper Length: 3 pages plus a cover sheet. Cover sheet should include your name, the class title, level, time and due date.

Page 1 (Refer to your syllabus)

- List project categories for the class. Note any you didn't complete.
- Denote the projects you had the most difficulty with.
- Estimate the amount of time outside class you spent on **each project category** in hours.

Page 2

- Choose category you were **most** successful with (grades, improvement, understanding, enjoyment, easiest) and type one half page explaining how/why this project was successful for/to you.
- Choose category you were **least** successful with and type one half page explaining how/why this project was least successful for/to you.

Page 3

- Type a one half page or more statement assigning yourself a letter grade and **justifying why** you have earned that grade.

Portfolio

- Turn in your organized notebook with the evaluation.

General Directions: All material must be typed. Use 12 inch font, business-appropriate style. Project is worth 75 points. Please provide two copies of your evaluation; one will be returned; one will be kept. **Please provide me with two copies of the evaluation.**
